THE VISION

In answering the mandate the Lord gave, our vision is to advance King Jesus in such a way that the body of Christ is stirred to a holy fire of His love. This holy fire desires to grip the very heart and soul of the church. It's a cleansing fire, a fire that purges all that is not Him, it's a fire that demands complete surrender of self and results in the restored first love of Christ. This fire which burns in us by the power of the Holy Spirit brings deliverance, healing and salvation to all who are willing to be consumed by it.

This vision is accomplished by the preaching of the Gospel and through the impartation of anointed ministry in churches both in the United States and abroad! We believe that when you make room and opportunity for the Holy Spirit to move; He is faithful to do it!

ABOUT ZACH

Nearly 20 years ago the Lord began to plant the seeds that are now coming into fruition through The Kingdom Advance. An evangelistic calling to re-ignite personal revival in the hearts of the global body of Christ. With a focus on surrender, first love, personal revival and the Holy Spirit's role in the lives of believers; many people have been inspired, encouraged and empowered to live a life of close fellowship with King Jesus through Zach's ministry over the years.

He believes along with many others that another great awakening has arrived to the body of Christ. But every awakening has a price to pay and a re-focus on surrender and first love is in order for the global church. To be a stirred people that will willingly surrender our agenda to gain His and His alone. To once again be a church of His presence and a church that operates and flows in the power of the Holy Spirit.

When Jesus becomes real to you; no sickness, disease, affliction or oppression of the mind or body can exist under that beautiful anointing! And like many others in the body of Christ, he continues to see healings, deliverance and personal revival ignited in the hearts of God's people.

Current Initiatives

European Outreaches

The Kingdom Advance was birthed out of a heart to reach Europe, specifically beginning in the Balkan region. For this reason, multiple evangelistic outreach trips including conferences are conducted yearly to help stir the body of Christ in Europe to a holy fire!

Believer's Victory Broadcast

TBV is a broadcast delivered via YouTube with a focus on delivering a database of teachings and sermons, specifically for European audiences.

Church Based Evangelism

Recently, TKA has begun reaching out to US based churches to help the initiative of stirring God's people in America to a holy fire. The awakening of the American church is here!

ZACH'S PERSONAL STORY

Despite having access to God's word and good examples around him, Zach found himself still searching for something that he couldn't seem to find. He was born-again but he wasn't fully in love with Jesus and still wasn't free from sin and the death it brings.

Soon, his life spiraled out of control (unknown to many) as he sought the love of Christ in all the wrong places and in all the wrong things. Thankful to God's mercy, He made himself real to Zach once again and over the course of time showed him how to walk in the fiery freedom of His love, which delivered him to live a life of obedience to the evangelistic call he was appointed to.

He has an amazing wife, Fernanda, who also has an incredible testimony of encountering the love and delivering power of Jesus through the Holy Spirit. They have one son – Lucca who is a tremendous blessing to them and he too has already encountered the loving power of God! They currently reside in Colorado.

In obedience to God's call to the ministry, he attended a spirit-filled Bible school based out of Springfield, MO. Since graduating in 2007, he has served in church based evangelistic ministry, four years with his family as missionaries to Europe, including helping to lead a small Bible School and he now serves as a college Pastor at his home church.

In addition to his part-time pastoring role, he was led to start an evangelistic ministry called "The Kingdom Advance" which takes him to countries throughout Europe to preach the Gospel and impart into leaders and believers alike. Although his ministry work has often been focused abroad, the Holy Spirit instructed him in 2023 to begin ministering to churches in the United States as well.

He believes and sees that God is beginning a great work globally and he's doing his best to faithfully follow the mandate the Lord gave him, which is; "I have called you to the work of an evangelist to stir my people to a holy fire, a fire that burns within, a fire that consumes them." How precious is the fire of the Holy Ghost, which causes us to fall deeply in love with Jesus, obey and be empowered to fulfil his individual calling on our lives!

MINISTRY STYLE

Zach approaches every pulpit with great honor towards the local church and its pastor. Additionally and through years of ministry, Zach has also learned that he's simply not good enough to impart anything to people outside of the anointing and movement of the Holy Spirit.

In order to impart effectively in his ministry, he often leads the body to corporately pray in the spirit together, wait on the Lord in times of silence or even encourage further worship until the Lord releases him to preach. After the preaching of the word; God typically directs Zach to impart by laying on of hands to those in need. During these times, the Holy Spirit is able to minister to God's people and create an opportunity for both the lost and found to encounter the love of Jesus, find healing, deliverance and holy fire.

Because the anointing in a given moment cannot be "created", Zach is careful to follow the Lord and only do what He says. The assignment is to surrender to the Lord's agenda for that given service and create space in our hearts and our time for Him to move. With this being said, Zach honors time constraints set forth by the local pastor or leader. As the Apostle Paul said, "Let all that you do be done in love" and "Let all things be done decently and in order."

Ministry Engagement Ideas

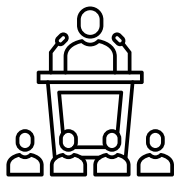

MULTI-NIGHT

There is great value in coming together for several consecutive nights. First, it allows for more in-depth teaching, it gives more time for the Holy Spirit to work in lives, bring healing and deliverance and it allows more time to build fellowship.

SINGLE SERVICE

Maybe you just have room in your schedule for one service or event? The Lord can do amazing things in a short time together in His presence!

CONFERENCES

Are you putting on a conference with several speakers? Zach typically speaks on messages relating to surrender, intimacy, the Holy Spirit and first love both in leadership and non-leadership conferences. All messages are Christ-centered.

NEXT STEP: LET'S HAVE A CONVERSATION!

Are you ready to start a conversation with us? Zach would love to set up a time to speak with you, learn about your heart, vision and begin building a relationship with you for a potential ministry engagement.

ONCE YOU'VE BOOKED, HERE'S HOW YOU CAN HELP US!!!

- **Only Jesus** can heal, save and deliver! But it's our job to trust and believe in Him. God is always ready to move among his people, but his people aren't always ready. Because of that, we encourage you to share well in advance that you're believing with us that God will move greatly. What that looks like is different every time, but He's always ready to pour out his holy fire, righteousness, peace and joy on His people.
- Some practical things you can do is post the service information online, on flyers around your community, announce multiple times in your weekly services, encourage your church to share with the lost, hurting, sick and broken. We can provide you with these materials once you have booked a ministry engagement.
- It is the heart of The Kingdom Advance to create regional international partnerships with churches and leaders who are expecting the next great awakening of the Lord (which we believe is already beginning). **PLEASE** invite other churches and pastors who are aligned with your ministry vision to the service/event. You never know how God will use your venue and your personal ministry to touch the hearts and lives of other leaders and church communities around you. This is bigger than anyone one of us!

WE LOOK FORWARD TO BEING IN HIS PRESENCE WITH YOU!
